MTC Management & Training Corporation

Arizona State Prison Kingman

Memo

To: B. Esterline, COIII, Monitor, ASPC-K-Cerbat Unit

From: Y. Rydgren, CPS, ASPC-K-Hualapai Unit

Date: July 9, 2015

Re: Structured Recreation

CPS 407

Structured recreation for Hualapai Unit for April, May and June was as follows:

April

Kickball tournament scheduled for East Yard (Dorm 3) only and delayed until May 1st and 2nd

May

Kickball tournament on May 1st and 2nd

June

No structured recreation was scheduled

The recreation program was placed "on hold" while the Hualapai Unit was under controlled movement due to staff assaults (March and April). Dorm 3 was progressing as described in the Operational Protocol memo sent to CBOD Diaz (attached) and participated in the kick ball tournament. All dorms progressed and regressed within the stated steps and were not returned to an open yard prior to the disturbance.

During the month of June I assigned a new case manager to recreation. We are in the process of developing a more involved recreational program, have purchased recreational equipment and had scheduled to meet with Warden Rider to discuss our plans for the year prior to the disturbance.
