On the above date and approximately 1824 Dakota Unit was called out for DART response to Cheyenne. After confirming from the responding officers their weapons card, ADOC ID card and AZ drivers license we loaded the van and departed to Cheyenne. DART team members are as follows: Dart 1, COII Medrano, Manuel 2486 EIN [redacted]; Dart 2, Sgt Celaya, Joanna 9292 EIN [redacted]; Dart 3, COII Orozco, Adalberto 11964 EIN [redacted]; Dart 4, COII Espinoza, Oscar 7661 EIN [redacted] Dart 5, COII Ramirez, Kevin 4715 EIN [redacted] and Dart 6 COII Jimenez, Raymond 6488 EIN [redacted]. We arrived to Cheyenne vehicle sally port at approximately 1833 where Incident Commander, Sgt Roach, was located and she stated to deploy gas with the [redacted] into the North rec field. COII Ramirez proceeded to deploy gas with the [redacted] near Cheyenne Detention Unit (CDU) into the North rec field. Over the radio it was stated that Yard control had been breached along with South rolling gate. As we departed CDU area towards South rolling gate inmates began to rush the Dart team. Dart team, as well as myself, screamed several verbal directives to stop but inmates did not comply. Dart and myself than deployed multiple munitions and the inmates retreated to the South rec field. At the breached South gate inmates again rushed Dart team and did not follow verbal directives to stop and multiple munitions were again deployed. This did get the inmates to the South rec area but several inmates would try to leave and I, Sgt Villanueva, and Dart team would yell verbal commands to return to the allocated area but inmates would not comply so I would deploy my munitions to get them to comply. Dart team would then be assisgned to provide security as inmates were restrained and taken off both South and North rec fields. At approximately 0100 TSU properly relieved Dart and conducted debriefing. At approximately 0110 DW Aguilar cleared Dakota Dart to return to Dakota. All equiptment and munitions were accounted for at 0113 at Dakota main control and properly secured in Dart locker as well as Weapons locker.
