Food visitation is for inmates who are Phase II and Phase III only. Inmates in Phase I are not authorized Holiday Visits and inmates in Phase II are only authorized those food visits specified in Department Order #809, Earned Incentive Program.

Due to space limitations, food visitation will be on a "first in, first out" basis. If the visitation area reaches seating capacity, we will first ask for volunteers to leave. If the seating capacity is still at the limit, and a sufficient number of volunteers have not been found, we will then ask visitors that were "first in" to exit, so that other eligible inmates are allowed to participate in the food visit.
