    Given the written agreements between the Industrial Development Authority of the County of Mohave and Mohave Prison, LLC, and between Mohave Prison LLC and the "Management Operator" (currently MTC), ADC anticipates that, although a separate negotiation and agreement may be necessary, it promptly culminates in the corresponding assignment of the management agreement as well. It is ADC's intent that any new or assigned agreement will be completed at the same time as the ADC-Kingman Prison contract assignment.

COMPASS GROUP USA, INC.
MANUAL FOOD SERVICES AGREEMENT

THIS AGREEMENT, made this 26th day of February 2010, by and between MANAGEMENT & TRAINING CORPORATION, with principal offices located at 500 N. Marketplace Dr., Centerville, UT 84014 ("MTC"), and COMPASS GROUP USA, INC., a Delaware corporation, by and through its Canteen Correctional Services Division, with principal offices located at 2400 Yorkmont Road, Charlotte, North Carolina 28217 ("Compass").

WITNESSETH:

WHEREAS, MTC desires to avail itself of Compass food services; and

WHEREAS, Compass desires to perform such services for MTC.

AGREEMENT:

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth, the parties hereto, intending to be legally bound hereby, agree as follows:

SECTION 1. MTC'S GRANT TO COMPASS

MTC, grants to Compass, as an independent subcontractor, the exclusive right to operate inmate food services at its facility located in Kingman, Arizona (such location hereinafter referred to as the "Facility"), and the exclusive right to serve to inmates and staff and other persons at such Facility, food products, non-alcoholic beverages, and other such articles ("Products") as shall be approved by the MTC (such food and commissary services hereinafter referred to as "Services").

SECTION 2. COMPASS' RESPONSIBILITIES

2.1. Pursuant to the provisions of this Agreement, Compass will operate and manage its Services hereunder at the Facility in compliance with (a) Contract No. 040120DC between MTC and the Arizona Department of Corrections (the "Contract"), (b) Arizona menu cycles, and (c) Exhibit A, attached hereto and incorporated herein by reference. Additionally, Compass will provide quality food, in accordance with industry standards.

2.2. Compass agrees to pay all federal, state, and local taxes, which may be assessed against Compass equipment or merchandise while in or upon the Facility, as well as all federal, state, and local taxes assessed in connection with the operation of its Services at the Facility. Compass also agrees to comply with all federal, state, and local laws and regulations governing the preparation, handling, and serving of foods, and to procure and keep in effect all necessary licenses, permits, and food handler's cards required by law or the Contract, and to post such permits within the kitchen in a prominent place as required by law. All costs in connection with such taxes (excluding MTC's real estate and personal property taxes) referred to herein, licenses, permits, and food handler's cards, shall be Compass' cost of business and will be charged to the operation of its business. Compass agrees to comply with applicable federal, state and local laws and regulations pertaining to wages and hours of employment.

2.3. Compass shall hire all employees necessary for the performance of this Agreement. Upon being hired, such employees shall be subject to such health examination as

proper city, state, or federal authority or the Contract may require in connection with their employment and security background screening as permitted by law to include criminal background checks. All persons employed by Compass will be the employees of Compass, and not of MTC, and will be covered by Compass' employee dishonesty coverage. Compass agrees that no employees of MTC will be hired by Compass without permission of MTC for a period of six (6) months after the termination of their employment with MTC. Compass, in performing work required by this Agreement, shall not discriminate against any employee or applicant for employment because of race, creed, sex, color, national origin, or age, in violation of Federal, state or local law. Compass shall be solely responsible for all employment withholding, social security and other taxes on the wages of its employees, and hereby indemnifies MTC from any liability for such obligation.

2.4. Compass shall perform all necessary cleaning of the food service equipment, preparation areas floors in the storage and food service preparation areas. Compass agrees to maintain the conditions of sanitation and cleanliness required by the Contract. Compass agrees to be responsible to pass all food services inspections and/or audits and to pay any reasonable fines or penalties solely related to the Services provided hereunder. Additionally, Compass agrees to respond to all inspections and/or audits and to take corrective action within the time required.

2.5. All records shall be kept on file by Compass for a period of five (5) years from the date the record is made, and Compass shall, upon reasonable notice, give MTC the privilege at a reasonable time of inspecting, examining, and auditing, during normal business hours, such of Compass' business records which are directly relevant to the financial arrangements set forth in Exhibit A. The cost of such inspection, examination, and audit will be at the sole expense of the MTC and such inspection, examination, and audit shall be conducted at the Compass locations where said records are normally maintained.

2.6. Compass agrees that Compass' employees and agents shall comply with and observe all applicable rules and regulations concerning conduct at the Facility which MTC imposes upon MTC's employees and agents. Compass is responsible for ensuring that its employees act in a professional manner, properly perform all their duties and demonstrate a reasonable level of ability, professionalism, competency, intelligence, and knowledge of their duties.

2.7. Compass agrees to be responsible for the repair and/or replacement of any equipment due to its employees' negligent acts. This does not include the repair or maintenance for normal equipment wear and tear, and other responsibilities of MTC as defined in Section 3.

2.8. Compass shall at all times comply with reasonable rules or regulations imposed by MTC or the Contract in connection with the safe and efficient operation of the Facility and/or the performance of the Services.

SECTION 3. MTC'S RESPONSIBILITIES

3.1. MTC shall, without cost to Compass, provide Compass with the necessary space for the operation of said Services, and shall furnish, without cost to Compass, all utilities and facilities reasonable and necessary for the efficient performance of this Agreement by Compass, including but not limited to the following: heat, hot and cold water, steam, gas, lights and electric current, garbage removal services, exterminator services, sewage disposal services, and office and commissary warehouse space.

3.2. MTC will be responsible for all necessary cleaning of walls, windows, and electric light fixtures and all necessary scrubbing, mopping, and polishing of floors in any and all dayroom and dining areas, at no cost to Compass.

3.3. MTC agrees that no employees of Compass will be hired by MTC without permission of Compass for a period of six (6) months after the termination of their employment with Compass. MTC shall not impose any regulation on Compass' employees not imposed on MTC's employees employed in similar positions.

3.4. MTC shall pay all real estate taxes with respect to the Facility if required by the Contract, and MTC shall pay all personal property taxes and similar taxes with respect to MTC's equipment located on the Facility.

SECTION 4. FINANCIAL ARRANGEMENTS

The financial arrangements of this Agreement are set forth in Exhibit A, which is attached hereto incorporated herein and made a part hereof as if fully set forth in this Agreement.

SECTION 5. INDEMNIFICATION

5.1. Compass Indemnification. To the fullest extent permitted by applicable law, Compass shall defend, indemnify and hold harmless MTC and its officers, directors, employees, agents, shareholders, partners, joint venturers, affiliates, successors and assigns from and against any and all liabilities, obligations, claims, demands, suits, losses, expenses, damages, fines, judgments, settlements, and penalties, including, without limitation, costs, expenses and attorneys' fees incident thereto, arising out of or based upon contract damages and/or property damage or bodily injury (including death at any time resulting therefrom) to any person, including employees of Compass or any affiliate, subcontractor or agent, occasioned by or in connection with:

5.1.1 Compass' performance of (or failure to perform) the Services;

5.1.2 A violation of any laws or any negligent act or omission by Compass or its affiliates, subcontractors, agents or employees during performance of the Services; and/or

5.1.3 A breach of this Agreement by Compass or any of its affiliates, subcontractors, agents or employees.

The aforesaid obligation of indemnity shall be construed so as to extend to all legal, defense and investigation costs, as well as all other reasonable costs, expenses and liabilities incurred by MTC, from and after the time at which MTC receives notification (whether verbal or written) that a claim or demand is to be made or may be made.

5.2. MTC Indemnification. MTC shall indemnify, defend, and hold harmless Compass from any and all losses, damages, or expenses, including reasonable attorneys' fees, arising out of or resulting from claims or actions for bodily injury or property damage if caused by any MTC negligent act or omission (except to the extent caused by the negligent act or omission of Compass, its employees or agents).

5.3. Notification of Claim. Written notification of an event giving rise to an indemnification claim ("Notice") must given within a reasonable period of time and must include a brief factual summary of the damage and cause thereof.

5.4. Damage Limitation. In no event shall MTC be liable for consequential, incidental or special damages, including without limitation any delay damages, lost opportunity damages or lost profits, incurred by Compass or any Compass related parties in connection with this Agreement.

SECTION 6. INSURANCE

6.1. Compass Insurance. Compass shall obtain and maintain insurance for the types of risks and in the amounts required by the Contract.

6.2. MTC Insurance. MTC shall obtain and maintain insurance for the operation of the Premises, equipment, offices, and utilities against risks covered by standard forms of fire, theft, and extended coverage in such amounts under such policies as appropriate.

6.3. Certificates of Insurance. At the beginning of this Agreement, and each year thereafter, Compass shall provide Certificates of Insurance for such coverage naming MTC as an additional insured.

SECTION 7. COMMENCEMENT AND TERMINATION

7.1. Unless sooner terminated as provided herein, the term of this Agreement shall be for one year, beginning on the date that MTC first houses inmates at the Facility and Compass serves its first meal to such inmates, and continuing for consecutive one-year terms from year to year thereafter.

7.2. Either party may terminate this Agreement, for any reason, by providing thirty (30) days written notice to the other party.

7.3. If either party shall refuse, fail or be unable to perform or observe any of the terms or conditions of this Agreement for any reason other than Excused Performance reasons stated in Section 9 herein, the party claiming such failure shall give the other party a written notice of such breach. If, within ten (10) days from such notice the failure has not been corrected, the injured party may cancel the Agreement effective immediately.

7.4. Upon the termination or expiration of this Agreement, Compass shall, as soon thereafter as is feasible, vacate all parts of the Facility occupied by Compass, where applicable, remove its property and equipment, and return the Facility to MTC, together with all the equipment furnished by the MTC pursuant to this Agreement, in the same condition as when originally made available to Compass, excepting reasonable wear and tear. Sections 2.3, 2.4, 2.5, 2.7, 2.8, 5, 7.4, 8, 14.2 and 14.7 shall survive termination or expiration of this Agreement.

SECTION 8. INDEPENDENT CONTRACTOR RELATIONSHIP

Compass is retained by MTC only for the purpose and to the extent set forth herein and Compass' relationship with MTC shall, during the entire term of this Agreement, be that of independent contractor so that neither Compass, nor any employee, agent, servant, officer, director or shareholder of Compass, shall be deemed an agent, servant or employee of MTC.

Compass agrees to indemnify and hold MTC and its affiliates, partners, officers, directors, employees and agents harmless of and from any and all liabilities, claims, demands, damages, and expenses (i) arising from any determination (whether judicially or administratively) that some relationship, other then that of independent contractor, exists between MTC and Compass, or (ii) in connection with hiring, termination, discipline, evaluation and resolution of complaints and grievances of Compass' employees.

SECTION 9. EXCUSED PERFORMANCE

In case performance of any terms or provisions herein shall be delayed or prevented because of compliance with any law, decree, or order of any governmental agency or authority, either local, state, or federal, or because of war, public disturbances, strikes, lockouts, differences with workmen, fires, floods, Acts of God, or any other reason whatsoever which is not within the control of the party whose performance is interfered with and which, by the exercise of reasonable diligence said party is unable to prevent, the party so suffering may at its option suspend, without liability, the performance of its obligations hereunder during the period such cause continues, and extend the term of this Agreement for the period of such suspension of the performance of duties hereunder.

SECTION 10. ASSIGNMENT

Neither Compass nor MTC may assign or transfer this Agreement, or any part thereof, without the written consent of the other party, except the parties may without prior approval and without being released from any of their responsibilities hereunder, assign this Agreement to an affiliate company or wholly owned subsidiary.

SECTION 11. ENTIRE AGREEMENT; WAIVER

This Agreement constitutes the entire Agreement between the parties with respect to the provision of Compass' Services, and there are no other or further written or oral understandings or agreements with respect thereto. No variation or modification of this Agreement and no waiver of its provisions shall be valid unless in writing and signed by the duly authorized representatives of Compass and MTC. This Agreement supersedes all other agreements between the parties for the provision of Compass' Services at the Facility. Failure of MTC at any time to require performance by Compass of any provision hereof shall in no way affect the full right to require such performance at any time thereafter, nor shall the waiver by MTC of a breach of any of the provisions hereof constitute a waiver of any succeeding breach of the same or any other provision.

SECTION 12. NOTICES

All notices to be given under this Agreement shall be in writing and shall be served either personally, by facsimile, by deposit with an overnight courier with charges prepaid, or by deposit in the United States mail, first-class postage prepaid by registered or certified mail, addressed to the parties at the address or facsimile number stated below or at any other address as designated by one party upon notice to the other party. Any such notices shall be deemed to have been given (a) upon the first business day following facsimile receipt, (b) one business day after deposit with an overnight courier, or (c) three business days after deposit in the United States mail.

The parties agree to hold in confidence and not to disclose any Confidential Information during, and for two (2) years after, the term of this Agreement, except that the parties may use or disclose Confidential Information (a) to its employees and affiliates or others to the extent necessary to render any service hereunder, provided that the other party is first notified of the information that will be provided to any party outside of this Agreement and provided further that such information is disclosed only after such party is required to maintain it in confidence as required hereunder; (b) to the extent expressly authorized by either party; (c) to the extent that at the time of disclosure, such Confidential Information is in the public domain, or after disclosure, enters the public domain other than by breach of the terms of this Agreement; (d) is in the possession of either party at the time of disclosure and is not acquired directly or indirectly from the other party; (e) is subsequently received on a non-confidential basis from a third party having a right to provide such information; or (f) as required by order during the course of a judicial or regulatory proceeding or as required by a governmental authority. The parties agree not to photocopy or otherwise duplicate any Confidential Information without the express written consent of the other party. Each party's Confidential Information shall remain the exclusive property of the party and shall be returned by the party to the other party upon termination or expiration of this Agreement. In the event of any breach of this provision, the parties shall be entitled to equitable relief, in addition to all other remedies otherwise available to them at law. This provision shall survive the termination or expiration of this Agreement.

SECTION 14. GOVERNING LAW

This Agreement shall be governed by the laws of the State of Arizona.

SECTION 15. MISCELLANEOUS

15.1. Severability. If any provision hereof is deemed to be invalid or unenforceable under applicable law, this Agreement shall be considered divisible as to such provision and the same shall thereafter be inoperative, provided however, the remaining provisions of this Agreement shall be valid and binding.

15.2. Compliance with IRCA. Compass agrees at all times to remain in strict compliance with all terms, provisions, regulations and rulings relative to the Immigration Reform and Control Act of 1986 (IRCA). All employees of Compass assigned to the Facility will have had their identity and eligibility for work within the United States properly verified. Within three (3) days of receipt of a written request from MTC, Compass shall provide copies of the I-9 form or such other documentation as may be appropriate to satisfy MTC as to Compass' compliance with IRCA.

Compass agrees to defend and indemnify MTC and its agents, their affiliates and subsidiaries, and their directors, partners, officers, agents, representatives, and employees from and against any claims, actions, suits or proceedings of any type whatsoever arising out of or in any way connected with Compass' breach of the terms of the paragraph immediately above.

15.3. Compliance with Safety Regulations. Compass shall plan for, and ensure, that all personnel comply with the basic provisions of OSHA Safety and Health Standards (29 CFR 1910) and General Construction Standards (29 CFS 1926) as such federal regulations are applicable to the specific tasks constituting the Services (if any). The responsibility for the implementation and enforcement of health and safety requirements lies with Compass, and its safety support staff.

15.4. Compass' Authority. The individual executing this Agreement on behalf of Compass personally certifies and warrants that by his or her execution hereof, this Agreement shall be legally binding on and enforceable against Compass.

15.5. No Liens. Compass shall neither suffer nor permit the attachment of any liens upon the Facility a direct result of Compass' performance of the Services.

15.6. Cure of Compass' Default. If Compass shall default in the performance of the Services or any other duty imposed upon Compass hereunder, MTC may (but shall not be required to), without notice to Compass and with or without terminating this Agreement, cure and rectify such defaults and either deduct the reasonable cost of cure and rectification from compensation due to Compass hereunder or directly bill Compass for such reasonable costs.

15.7. Attorney's Fees. If it shall become necessary for either party to engage attorneys to institute legal action for the purposes of enforcing its rights hereunder, the party prevailing in such litigation shall be entitled to receive all costs of any appeals from the losing party.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals as of the day and year first above written.

GOLDEN VALLEY FIRE DISTRICT
SERVICE AGREEMENT

1. SCOPE:
   1.1. This Service Agreement (the "Agreement") is made effective as of this 13th day of October, 2011 (the "Effective Date") between the Golden Valley Fire District, a political subdivision of the State of Arizona (the "District"), and Management & Training Corporation (MTC) (the "Applicant").

   1.2. The property(s) under consideration is described as: 4626 West English Drive, Golden Valley, Arizona 86413, specifically the Arizona State Prison - Kingman (collectively, the "Facility").

2. IT IS THEREFORE MUTUALLY UNDERSTOOD AND AGREED AS FOLLOWS:
   2.1. PURPOSE: The District shall provide fire protection and emergency medical services, which are more particularly described in Section 2.3 below, for the Facility at the request of Applicant under the terms of this Agreement for the protection of life and property at the Facility.

   2.2. DURATION AND RENEWAL: The initial term of this Agreement shall be for five (5) years commencing at midnight on the Effective Date and expiring at midnight on the fifth (5th) anniversary of the Effective Date (the "Initial Term"). Thereafter, this Agreement shall renew upon mutual agreement of the parties, for periods of one (1) year (each, a "Renewal Term" and together with the Initial Term, collectively, the "Term"). Notwithstanding the foregoing, this Agreement will terminate automatically if the Arizona Department of Corrections ("ADC") terminates its contract with MTC. If either party breaches the terms of this Agreement, the other party shall give the breaching party ninety (90) days notice to cure. This Agreement will terminate automatically if the breach is not cured within the 90 day cure period.

   2.3. SERVICES PROVIDED: Fire suppression, fire protection, emergency rescue, and emergency medical services (collectively, the "Emergency Services") will be provided by the District to Applicant under this Agreement. All Emergency Services provided shall be limited to services to be provided to persons and real or personal property located at, or providing services related to, the Facility. In its provision of the Emergency Services, the District will provide a standard response (a "Standard Response"), up to and including a response involving the resources of multiple jurisdictions and EMS and/or fire suppression service providers ("Service Providers") other than the District (each, a "Mutual-Aid Response"), as determined by the then-current Standard Operating Guidelines of District. For each individual incident for which the District provides the Emergency Services to Applicant (each, an "Incident"), the senior-most District Officer (the "Incident Commander") shall either (i) have command over the District, its employees and any other Service Provider providing the Emergency Services (collectively, the "District Representatives") or (ii) act as the District's chief representative as part of a Unified Command for Mutual-Aid Responses. The Incident Commander remains in charge of the incident on behalf of the District and in command of the District Representatives until termination of the Incident.

   2.4. Subject to Section 2.5 below, the District reserves the right to initiate a Mutual-Aid Response and involve the Service Providers per its Standard Operating Guidelines to mitigate an Incident in the most expeditious manner.

   2.5. Applicant shall be responsible for any additional charges assessed by other Service Providers in a Mutual-Aid Response (the "Additional Services") if the Additional Services are beyond the scope of this Agreement and the Additional Services are either (a) approved by a representative of the Applicant to the Incident Commander prior to the provision of the Additional Services, or (b) in the event Applicant is not available to provide its approval to the Incident Commander in a reasonably timely manner, the Additional Services are determined to be reasonably necessary to mitigate an

Incident in the most expeditious manner by the Incident Commander in accordance with best industry practices.

2.6. The parties herein agree that the District may respond with or without mutual aid, and with fewer units or personnel than is the customary amount in a Standard Response in the event of any unforeseen circumstance or other emergencies, such as a major fire or accident within the jurisdictional boundaries of the District or conflicting concurrent calls, reduction in force, road closure, acts of nature, or other situations in which there is a shortage of resources or equipment.

2.7. Applicant understands that the response time may be extended beyond that which might be regularly expected for a Standard Response within the District due to limited resources available, access limitations, or other incidents within the District.

2.8. The District reserves the right to prioritize all incidents and respond according to Standard Operating Guidelines and/or by utilizing agreements related to Mutual-Aid Responses.

2.9. In no case does this Agreement grant nor imply special services, rights or privilege in excess of those provided within the jurisdiction of the District.

3. OPENING AGREEMENT

3.1. The District shall perform the following within ninety (90) calendar days of the Effective Date and as reasonably requested by Applicant thereafter:

(a) Meet with representatives designated by Applicant to (i) familiarize the District with the conditions, layout and surroundings of the Facility, (ii) identify specific issues or hazards at the Facility that need to be acknowledged and addressed to allow the District to perform the Emergency Services in a safe and efficient manner, including, without limitation, all safety and environmental hazards (subparts (i) and (ii), collectively, the "Facility Conditions"); and (iii) identify any non-compliance by Applicant of all applicable fire codes, building codes, zoning codes;

(b) Provide Applicant with safety recommendations related to the Facility Conditions and provide all reasonably requested assistance to Applicant to ensure that the Facility complies with all applicable fire codes, building codes, and zoning codes, if necessary;

(c) Jointly develop a plan that the District covenants to follow in its provision of the Emergency Services that integrates the Facility Conditions into the Standard Operating Guidelines (the "Facility Plan");

(d) Schedule on-site tours at the Facility for all full-time fire personnel, and familiarize the same with the Facility Plan; and

(e) Engage in additional on-site meetings at the Facility as required or as reasonably requested by Applicant, which such additional meetings may include, but are not limited to, (i) revising the Facility Plan to incorporate any change in the Facility Conditions, (ii) planning and conducting training as may be mutually agreed to, (iii) conducting additional safety inspections, and (iv) performing other related services.

4. RESPONSE TIME

4.1. The District shall respond to Applicant's emergency calls in a manner consistent with Standard Operating Guidelines.

4.2. Applicant hereby acknowledges that response times are subject to variations due to weather, distance, road conditions, traffic conditions, conflicting or multiple emergency responses which may change equipment or resource availability.

5. ACCESS.

5.1. Applicant hereby specifically acknowledges that access roads sufficient to allow the District's fire equipment to reach the scenes of emergency calls are a significant factor in the District's ability to respond to emergency calls within a reasonable and expeditious time.

5.2 Applicant hereby specifically acknowledges that gates and/or such other barriers or obstructions at the Facility may be a significant factor in the District's ability to respond to emergency calls within a reasonable and expeditious time.

6. COMPENSATION

6.1. As consideration for the District providing the Emergency Services to Applicant, Applicant shall pay not less than $120,000 in cash in any given year (as increased each year) during the Initial Term, and any Renewal Term, of this Agreement ("Cash Price") in addition to the Service Price, as defined below (the Cash Price and Service Price together shall be hereinafter known as the "Combined Fee"). Thereafter, during the term of this Agreement, the Combined Fee will be adjusted annually, calculated as if the facility was a taxable property located within the District. Both the Applicant and the District agree to discuss modification of the adopted Combined Fee and how to allocate the Combined Fee between the Cash Price and the Service Price, provided however, that the Cash Price shall never fall below $120,000. If the parties are unable to agree on a modified Combined Fee before the end of the applicable term, the Combined Fee shall remain as set for the prior year with an increase of the lesser of (1) the CPI increase ADC provides to Applicant under the ADC-MTC Kingman contract, or (2) three percent.

6.2. The Cash Price will be paid by Applicant in quarterly payments with the first Cash Price payment being due and payable within thirty (30) days of the Effective Date, pro-rated for the current service quarter.

6.3. Thereafter, Cash Price payments will be payable on the following dates of each year during the Term of this Agreement: January 1, April 1, July 1, and October 1.

6.4. The Service Price shall be the total value of services to be provided to the District by Applicant ("In-Kind Services") as part of the Combined Fee, as adjusted from year to year, and shall include the wages owing to any supervisor, correction officers, and inmate laborers provided by Applicant ("Inmate Crew") under the Agreement and mileage and expenses incurred in conjunction with the In-Kind Services. The value of the In-Kind Services, shall be calculated as follows for administrative purposes:

(a) The initial Service Price shall be $247,000.82 (Two-Hundred Forty-Seven Thousand Dollars and Eighty-Two Cents) and shall be adjusted each year as set forth in Section 6.1 above for each fiscal year. The adopted Service Price shall be pro-rated to the renewal date to reflect the agreed upon rates.

(b) Inmate Crew and building materials for District projects for each fiscal year during the Term shall be charged against the total Service Price.

(c) In-Kind Services shall be calculated as set forth in Attachment "A".

6.5 The mutually agreed value for In-Kind Services as outlined in 6.4 will be negotiated at the onset of this Agreement and annually thereafter in May of each year to allow for fluctuations in compensation rates and actual costs.

6.6 The Applicant shall be responsible for all accounting and reporting of the In-Kind Services which shall be applied against the balance of the services referred to in 6.4 of this Agreement. The Applicant shall provide a quarterly and year-end statement to the District for tracking of all In-Kind Services.

6.7 If the amount of the In-Kind Services actually received exceeds the agreed upon Service Price in any given year, the amount in excess will be credited to the Service Price in the following year, provided however, if this Agreement is terminated in any given year, the balance for that year of any In-Kind Services shall be forgiven and no reimbursement will be required from the District. If, at the conclusion of any given year, the District has not received the total Service Price due to the District not needing the amount of In-Kind Services equal to the Service Price for that year, then the amount of the Service Price not received by the District shall be forgiven and the Applicant shall not be obliged to make up the difference. However, if Applicant does not provide the In-Kind Services, and such lack of services is not due to a Force Majeure event (e.g., inmate lockdown, strike, act of God), then any amount of the Service Price not received by the District in that year, shall be added to the next year's Service Price, even if such increase, when combined with the Cash Price, may push the Combined Fee above what would otherwise be owed to the District under the formula set forth in Section 6.1 above.

6.8 In the event that this Agreement is terminated prior to the end of any given year, then the Combined Fee then owed to the District shall be pro-rated and payable to the District within 30-days of termination.

7 ANNEXATION AGREEMENT

7.1 It is agreed that if the Facility is able to be annexed into the District as permitted or mandated by current or future rules or laws, or if the Facility becomes contiguous with the District's borders, the Applicant will petition for the Facility to be annexed into the District.

7.2 In the event that the Facility is annexed into the District as set forth in Section 7.1 above, Service Payments will continue until such time as applicable taxes related to the provision of Emergency Services by the District go into effect post-annexation, after which time this Agreement shall expire on its terms without further action required by either party to this Agreement.

7.3 The District agrees to assist Applicant in any endeavors to complete formal annexation of the Facility.

8 INDEMNIFICATION; LIMITATION OF LIABILITY; INSURANCE

8.1 The Applicant agrees to indemnify, defend and hold the District harmless from and against any and all liabilities, expenses (including court costs and attorneys' fees) and claims for damage of any nature whatsoever (whether statutory, in tort, contract, equitable relief, injunctive relief, or otherwise), which the District may suffer or incur as a result of the Applicant's negligent or intentionally wrongful acts under this Agreement. Nothing herein shall be construed to expand the liability of the District or its paramedics beyond the gross negligence standard imposed of medical/EMS services provided under state law.

The District agrees to indemnify, defend and hold the Applicant harmless from and against any and all liabilities, expenses (including court costs and attorneys' fees) and claims for damage of any nature whatsoever (whether statutory, in tort, contract, equitable relief, injunctive relief, or otherwise) which the Applicant may suffer or incur as a result of the District's negligent or wrongful acts, under this Agreement.

8.2 Neither party shall have any liability for special, incidental or consequential damages.

8.3 The Applicant shall maintain comprehensive liability insurance coverage in an amount not less than $2,000,000, and hazard insurance in an amount not less than $2,000,000, and shall provide the District with a current certificate of liability and hazard insurance, together with the name and address of the insurance agent, name of the insurance company providing coverage, and the insurance policy number, and shall name the District as an additional insured thereunder.

8.4 The Applicant shall provide and maintain any insurance coverage required of it by law until obligations under this Agreement are satisfied.

9 MISCELLANEOUS

9.2 This Agreement shall be governed by and construed in accordance with the laws of the State of Arizona. Re: Contract No. AD9-010-A3 - Private Prison - ASP-Kingman Additional costs for Kingman Incident

Dear Mr. Washington:

This letter is to affirm discussions between ADC and MTC regarding reimbursement of expenditures incurred by the State and political subdivisions due to the Kingman riots July 1-4, 2015. Pursuant to A.R.S. § 41-1609.01 (K) (3), Management and Training Corporation (MTC) is liable for the costs of any emergency services provided by the State and political subdivisions to MTC. MTC has agreed to reimburse Arizona Department of Corrections (ADC) for its costs incurred due to the Kingman riots, in addition to reimbursing any other Arizona State agency or political subdivision for their costs incurred.

MTC has agreed to reimburse ADC for the increased costs above a blended rate of $58.29 to house inmates at other locations. The increased costs to house inmates at other locations will be reimbursed by MTC for the entire duration of the emergency period. MTC will take the following actions related to billings and reimbursements to ADC:

1. July 1st- 3rd, 2015 period will be billed at actual contract per diem rates ($60.10 for 3,298 inmates, $22.00 for 102 inmates, and $15.00 for any inmates above 3,400).
2. July 4th -August 15th, 2015, and future periods (Post Disturbance) will be billed at the blended rate of $58.29 for the actual number of inmates at the Kingman Prison on each day. Since MTC has already invoiced ADC through 8/15/15, MTC will re-bill the July and August 2015 invoices with the rates in paragraphs 1 and 2 above.
3. Expenses incurred by ADC due to housing inmates at other locations will be processed separately. The name of the contracted ADC entities, the number of contracted inmates and the associated per diem rates at each entity are listed in the spreadsheet attached.

If you have any questions regarding this matter, please contact Michael P. Kearns, Division Director, Administrative Services at (602) 542-1160.

Sincerely,

for EC
