Apache Visitation Ext 6 - 3106

EARNED INCENTIVE PROGRAM

The Earned Incentive Program is a system of graduated rewards and sanctions encouraging inmates to practice pro-social and responsible behavior throughout their sentence. A pro-social lifestyle is more than complying with rules. It encompasses program completions, following medical and mental health directives, fulfilling restitution requirements, participating in restorative justice activities and improving relationships with self and others. Each Inmates Correction Plan shall be tailored to their specific risk, needs and time serve and includes all facets of their daily life. Inmates who make decisions, solve problems and be held accountable commensurate with their custody level for the duration of their incarceration.

What can affect an inmate's phase?

Completion or refusing to participate in required programs. This can include Work Assignments, GED, Functional Literacy, Work Based Education and Self Improvement Programs.

What areas of the inmate's activities are affected by his phase placement?

- Recreation
- Property
- Hobby Craft
- Visitation
- Phone Privileges
