CHARLES L. RYAN
DIRECTOR

November 19, 2015

Dear Governor Ducey,

Subsequent to the riots that occurred at the Arizona State Prison-Kingman, and pursuant to the instructions in your letter sent to me on July 6, 2015, a full and thorough review was conducted at the Arizona State Prison-Kingman. Additionally, a thorough review was completed at the remaining five private prisons that are contracted to house ADC inmates.

The assessment of the remaining prisons did not find any violations that rose to an unacceptable level of performance and compliance as found at ASP-Kingman. The assessment demonstrated the five private prisons to be substantially compliant with ADC policies.

Based on the findings taken from the assessment, each private prison warden has been provided a letter that includes the most significant findings along with time specific requirements for corrective action to take place. Also included in the letter are detailed modifications to the ADC contract monitoring standards and processes.

Attached are the Executive and Substantive Summaries that describe the overall and specific findings included in the assessment report.

I am available to answer any questions you may have regarding the assessments.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles L. Ryan".
