**No staff attended.**

Warden CO Roundtable

March 27, 2015

Day shift did not fill in overtime slots for swing shift on the shift roster.

Three inmates in hospital equal eight overtime staff.

Twelve hour shifts, is there any way we can do this?

Staff need to be disciplined the Supervisors are being worn down and are not holding staff accountable.

Set B officer- understand that housing unit staff need a few minutes to get inmates out.
