Subject TSU Training January

TSU training has been approved for Thursday the 29th 1000 to 1800 (this is one of the days agreed upon in correspondence I was forwarded from admin). This way Day Shift can report to Shift from 0600 to 1000, Swing Shift can report to shift 1800 to 2200. By doing this my TSU members are working their share of the overtime and a 12 hour day, working 4 on the back halves of their own Shift. It also prevents My Members on Swing shift (which most are) from being mandated a 16 hour day. Most training will be taken off site on the 29th as this is a week day and I do not wish to have Inmates witness us conducting our training, as to where off site I have not yet determined. Please let me know if I have omitted anyone from this email.

Questions, Comments, Concerns, or Current Roster please let me know.
