

Constituent Services Office - ADCRR Reopening

Over the past year, ADCRR has faced many new challenges that COVID-19 brought us. With COVID-19 case counts on the decline, we are finally in a position where we can reopen our in-person visitation in a phased approach. ADCRR will resume a modified in-person visitation on June 19, 2021, and we ask that you help us maintain the safety of staff and inmates during this reopening phase. We have outlined some basic visitation requirements as recommended by the CDC and ADHS for congregate care (correctional) settings to help maintain safety for staff, inmates and visitors.

Work Crews

The resumption of work programs is scheduled to begin on Saturday, June 5, 2021. The date initiates a phased rollout of work programs over the next two months. All returning inmate crews will be monitored closely in collaboration with Centurion, ADCRR's contracted medical vendor.

- Both intergovernmental agreement (IGA) crews and Arizona Correctional Industries (ACI) work crews must be fully vaccinated prior to assuming work assignments.
- Mandatory wellness screenings will also remain in effect for the work crews, ADCRR officers, and professional staff.
- Fully vaccinated inmates must wear a mask at all times while indoors and while in close proximity to others.
- Indoor large gatherings will be avoided.

Visitation: In-person visits will resume on June 19, 2021.

- In the reopening phase, visitors are not required to be vaccinated.
- Vaccinated Phase III inmates will receive (1) one, two-hour block of in-person visits per week.
- Phases I and II will continue to receive video visits only at this time.
- Inmates in isolation or quarantine for COVID-19 are ineligible to receive in-person visitation, and video visitation will continue.
- In-person visits must be scheduled in advance to avoid overcrowding and to comply with CDC social distancing guidelines.
- Visitation will operate at 50 percent of rated capacity.
- In-person visitation will be limited to (2) two adult visitors and (1) one minor child; no more than (3) visitors at a time.
- Vending machine items will not be available for purchase at this time.
- On-line video visiting will still be available.
- All visitors will be subject to a series of COVID-19 screening questions and temperature checks.
- All visitors 2 years and older will be required to bring in and use only a medical procedure mask.
- Visitor masks shall be removed during the check-in / check-out processing of the visitor and whenever requested by staff due to security reasons.
- No physical contact of any type is allowed at any time during the visit.
- There will be a modified seating configuration for the inmate and visitor.
- CDC social distancing guidelines will be maintained during the duration of the visit.

Attorney Visits

- All attorneys will be subject to a series of COVID-19 screening questions and temperature checks.
- Legal in-person visits must be scheduled in advance to avoid overcrowding and to comply with CDC social distancing guidelines.
- Attorneys will be required to bring in and use only a medical procedure mask.
