

# Correctional Officer Fitness Testing.

All 6 components must be completed within 45 minutes.

**1. Eye-Hand Coordination and Dexterity Testing :  
Minnesota Coordination and Dexterity Testing (MMDT).**

All pegs will be in the test with the same side up to start. The applicant will start in the top right corner. The applicant will pick up the peg with one hand; turn the peg into the other hand and place the peg, completely, in the hole with the opposite side up. The applicant will complete all 4 rows and will need to lead with a different hand each time they start a new row. Applicant must complete 2 trials of the 2 hand place and turn, within 2 minutes and 30 seconds, for both trials.

**2a. Mobility Testing:  
Squat and Rotating Test.**

**Timed for 1 Minute and 5 Seconds.**  
Squat 20 times (feet at 16" from middle of toes, knees over toes for 1/2 squat)

## Correctional Officer Fitness Testing.
