POSTING NOTIFICATION

This information is to be posted for a **minimum of 30** days in areas accessible to inmates and shall be made available to inmates who do not have access to posted copies.

TO ALL INMATES

Beginning December 1, 2011 inmates will be given the option to purchase debit phone time through the Commissary. (These purchase amounts will not count toward the original spending limits.) The debit phone time amounts will be listed on the store menus as the following:

- Item #9898 \$1.00 Debit Phone Time*
- Item #9899 \$20.00 Debit Phone Time

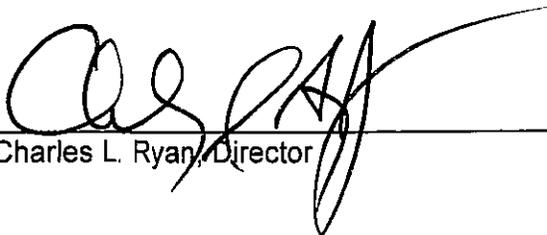

Once the store order has been processed, the requested dollar amounts will be placed directly on the inmate's phone account to make calls. Inmates will still have the option to make collect calls. (*The amount of 'talk time' allotted with each paid increment will depend upon the number dialed and the current phone rates for that location.)

Dialing instructions for placing calls after purchase:

- Press 1 for English or 2 for Spanish
- Press 1 for a Collect Call or 2 for a Debit Call
- Enter the PIN
- Follow the voice prompts to complete the call

Starting January 1, 2012 all International calls must be pre-paid by the inmate, through the purchase of debit phone time. The 1-800 number currently utilized for international calls will be turned off 1/1/12.

Inmates are to contact their Unit staff to ensure all international phone numbers to be dialed are properly entered into AIMS. Otherwise, phone calls will not be completed.
