Food visits are approved for inmates who have earned Phase II and Phase III. Inmates in Phase I are not authorized food visits and inmates in Phase II are only authorized those food visits specified by Department Order 809. Due to space limitations, food visits will be on a "first in, first out" basis. Each visitor that arrives before 1200 will be authorized a minimum two (2) hour visit. If the visitation area reaches seating capacity, we will first ask for volunteers to leave and then require those who have visited two (2) hours ("first in") to leave. This will ensure all eligible inmates are allowed the opportunity to participate in the food visit.
