2.0 WARDEN'S SUPERVISION OF SUPPORT STAFF FROM OTHER AREAS – Support staff are assigned to an institution for the purpose of assisting the Warden in fulfilling the Department's mission of housing and caring for inmates committed to the Department. All employees assigned to work at an institution are part of the institution's team and shall ensure their work activities support the mission of the institution.

2.1 The Warden shall:

2.1.1 Conduct regular meetings with the managers of line and support staff to develop and communicate the institution's mission, goals and objectives and to share important information.

2.1.3 Provide support staff managers with input on the job performance of support staff, which shall be used in completing Employee Performance Evaluations.

2.1.4 Forward information to the first-line supervisor of the offending support staff employee regarding infractions of Department Orders along with recommendations for the appropriate disciplinary action to be taken.

- 2.6 When the Warden believes a situation requires immediate action and determines it is necessary to direct the activities of support staff in a manner that may be contrary to prior instruction from their first-line supervisor, the Warden shall attempt to contact the first-line supervisor. If the supervisor cannot be reached, the support staff employee shall follow the Warden's direction, and the Warden shall notify the employee's first-line supervisor as soon as possible thereafter.
- 2.7 When a staff member observes a support function being provided in a manner that jeopardizes the general welfare of an inmate, the staff member shall take immediate action to rectify the situation.
 - 2.7.1 If the observing staff member lacks the authority to correct the situation, the staff member shall use the chain of command to notify a staff member with authority to immediately correct the situation.
- 2.8 Support staff that knowingly violates this Department Order shall be disciplined in accordance with Department Order #601, Administrative Investigations and Employee Discipline.
