PURPOSE

The Department of Corrections participates in various activities to honor current Department employees who die on- or off-duty, retired Department employees who have died, and law enforcement employees from sister criminal justice agencies who die in the line of duty. Similarly, the Department participates in local and national flag tributes to political figures, as well as parades and other public functions. This Department Order establishes guidelines for such special ceremonies and honors.

RESPONSIBILITY

The Deputy Director, Division Directors, and the Assistant Director are responsible to ensure staff complies with this Department Order. The Director’s Office serves as the Office of Primary Responsibility, supported by the Prison Operations Division, which shall establish and implement specific operational procedures and practices.

PROCEDURES

1.0 SPECIAL CEREMONIES UNIT – The Arizona Department of Corrections (ADC) maintains a Special Ceremonies Unit staffed by specially trained employees in two components:

   1.1 The ADC Honor Guard is a centrally-located, specially-trained ceremonial team that renders honor, preserves tradition, stimulates esprit-de-corps, and instills pride by providing, with dignity and uniformity, a prescribed sequence of events during special ceremonies. The unit comprises highly trained, specially-uniformed, motivated Officers to perform the particulars of those ceremonies. Honor Guard services are normally reserved for line of duty or approved high profile deaths (in accordance with the wishes of the family) and special ceremonial events as approved by the Northern Region Operations Director.

   1.2 ADC Color Guard Details comprise trained staff at each prison complex. Color Guards render honors and conduct ceremonial functions for on- and off-duty deaths of current ADC employee and deaths of retired staff (in accordance with the wishes of the family) or special ceremonial events with approval of the Northern Region Operations Director.

The Warden, Deputy Warden of Operations, Administrator, Bureau Administrator, or designee of the facility closest to the location of the designated memorial activities shall:

3.2 Upon receipt of half-staff notification approval, the senior ranking staff member on duty at the time of the notification is responsible to ensure all flags at that location are immediately lowered to half-staff by assigned staff, as described in Federal regulations outlined in the Special Ceremonies and Honors Technical Manual.

4.0 BADGE SHROUDS – Department employees are authorized to shroud their badges/identification cards immediately to show respect for ADC staff who died in the line of duty and for law enforcement officers from other agencies who are killed in the line of duty.

4.1 With the Director’s approval, employees throughout the Department may be authorized to shroud their badges/identification cards in memory of others for whom this honor is requested.

4.2 A shroud consists of a black, 1/2 inch wide elastic band worn horizontally across the badge or identification card.

4.3 The period for shrouding of badges shall be for seven days from the time of the death or until interment (whichever time period is greater). In the event a funeral/memorial service does not occur, the shroud may be worn for seven days following the time of death.
IMPLEMENTATION

The Prison Operations Division shall develop a Technical Manual within 90 calendar days from the effective date of this Department Order, detailing the specific protocols, equipment, personnel, and training employed in the Special Ceremonial Unit as well as Federal guidelines related to proper flag posting protocols.
