PURPOSE

This Department Order establishes the requirement for all personnel to maintain the highest standards of personal hygiene, grooming and neatness while on duty and when dealing with the public. Personnel are expected to present a neat and professional image whenever representing the Department.

The uniforms of the Arizona Department of Corrections (ADC) are symbols of the authority and responsibility conferred by the state. They have been selected to provide a high level of visibility while ensuring maximum safety, utility and personal comfort. The distinctive items and accessories of the Department's uniforms reflect the history, traditions and professional pride of the agency and its employees. Reinforced by regulations governing their wear, all uniforms provide for a standardized appearance and allow elements of versatility necessary for varied types of employment activities. Only Department-approved uniforms, accessories and components are authorized for uniform wear and use.

APPLICABILITY

All employees, contractors and volunteers shall comply with the provisions of this Department Order. Private prison personnel uniform standards shall be in accordance with Department of Public Safety Licensing requirements and approved by the Director or designee.

RESPONSIBILITY

Each employee is responsible for presenting a professional image and appearance that meets Department standards consistent with this Department Order. Uniformed employees shall only wear the uniform for their particular rank and assignment.

Administrators, managers and supervisors shall monitor and enforce employee compliance in accordance with this Department Order. Supervisors shall be the final determining authority on questionable grooming and dress standards. Supervisors shall consider compliance with grooming and dress standards when evaluating employee job performance.
