2.8.4.2 RED Level 1 – Regional Operations Director, Warden and Unit Deputy Warden

2.8.4.3 RED Level 2 – Assistant Director and all level 1 members

2.8.4.4 RED Level 3 – Director and all level 2 members

2.8.5 Wardens shall review and approve all requests for the creation of user accounts in the GAR inspection program. The Executive Staff Assistant assigned to the Warden's office shall be responsible for the generation and maintenance of all user accounts at the respective complex.

3.0 MANAGEMENT OF VIDEO VIEWING, COPYING, AND RETENTION – The Department utilizes numerous methodologies to record incidents of a significant nature as they occur. These recordings are evidence in investigations conducted by the Inspector General and/or the Special Security Unit (SSU) and Criminal Investigative Unit (CIU).

3.1 Video devices include, but are not limited to, stationary cameras and associated DVR's, handheld video cameras and associated memory cards, and Network Attached Storage Unit (NASU) devices.

3.2 In order to promote and ensure the protection and preservation of evidentiary chains of custody and the integrity and confidentiality of criminal and/or administrative investigations, as well as the integrity of those devices, access rights (including viewing and copying) shall be strictly limited by the Complex Network Administrators to only the following personnel:

3.2.1 Warden

- 3.2.2 CIU staff
- 3.2.3 SSU staff
- 3.2.4 These staff shall not share their access rights with any other individual.
- 3.3 Any other staff not identified in section 3.2 who believe that they have a legitimate professional need to view any recording must submit a written request and explanation of that need to the Warden, who may, in the Warden’s sole discretion, approve the request, also in writing, and thereby authorize said staff to view the recording, but only in the physical presence of the Warden. The Warden shall not under any circumstance release a copy of the recording to said staff.
- 3.4 Due to limitations of space on some devices, SSU shall review all significant incidents from the previous 24 hours and move them to the established Complex NASU device in accordance with Department Order #105, Information Reporting, Section 7.0, Archive, Retention, and Deletion of Significant Incident Video.
- 3.5 Staff shall continue to utilize handheld video recorders to record ongoing incidents. At the end of the incident, the shift commander shall immediately remove the memory card and fill out the chain of custody portion of form 909-6, seal the memory card in an envelope with the form attached and submit the evidence to SSU. At no time shall the video be viewed or copied by anyone other than those listed in section 3.2 above.
 - 3.5.1 Once SSU staff copy the relevant video to the NASU, they shall erase everything on the memory card and return it to the unit Captain for continued use.
- 3.6 Any unauthorized viewing or copying of any recording shall be referred to the Administrative Investigative Unit for possible disciplinary action in accordance with Department Order #601, Administrative Investigations and Employee Discipline.

IMPLEMENTATION

The Assistant Director for Prison Operations shall ensure Wardens address the contents of this Department Order in authorized Post Orders, as appropriate.
