PURPOSE

The Department of Corrections ensures all inmates have direct access to the courts in all legal claims involving direct appeals from the conviction for which they are incarcerated, habeas petitions, civil rights actions, or conditions of confinement. The Department facilitates this access by making forms and specific legal assistance available to the inmate population. The system is designed to maximize inmates' opportunity to present legal claims pertaining to the aforementioned legal claims to the State or Federal court, in a quick, efficient manner, with no barriers. This Department Order establishes the process to be used by inmates for gaining access to the courts and also describes the role of all parties involved. This Department Order sets forth all affirmative steps the Department shall take to assist inmates in obtaining access to the courts. This process does not affect the inmates' ability to independently pursue actions on their own or to obtain outside counsel to represent them.

RESPONSIBILITY

The Legal Access Monitor shall monitor this inmate legal access to the courts system in all facilities to ensure the assistance provided to inmates by Paralegals (See the Glossary of Terms) conforms to all Department written instructions and contract provisions, and ensure employees are complying with the provisions of this Department Order.

PROCEDURES

1.0 SYSTEM OVERVIEW – Inmates shall have direct access to the courts through the mail.

1.1 Qualified Legal Claims – (See the Glossary of Terms.) Inmates who do not feel able to draft pleadings or to complete District Court/state forms without assistance may:

1.1.1 Contact an attorney directly, at the inmate's expense.

1.1.2 Request the court to appoint an attorney to represent them.

1.1.3 Obtain active assistance through the Department from Paralegals, as outlined in section 4.0 of this Department Order.

1.2 Non-Qualified Legal Claims – The Department may not actively assist inmates in the filing of documents not involving civil rights, conditions of confinement, appeals from conviction, or habeas petitions. Inmates who desire assistance filing pleadings or petitions in matters not related to civil rights or conditions of confinement, appeals from conviction or habeas petitions may seek assistance of counsel, the courts or other assistance outside the Department. The Department may provide passive assistance as noted below:

1.2.1 Inmates may use legal texts and resource materials, as provided in section 2.0 of this Department Order and identified in Attachment A.

1.2.2 Inmates may request from the Paralegal or designated staff the address of any Arizona Court above the level of Justice of the Peace courts and selected Federal Courts. (See Attachment B for State Court material (Court Forms Packets); and Attachment C for Federal Courts.)

1.3 Legal Research – No provision is made in this system for extensive, generalized legal research.

- 1.4 Inmate Legal Assistants and Law Clerks – There is no provision in this Department Order for an inmate legal assistance program. The Department shall take no affirmative steps to assist inmates helping other inmates with qualified legal claims. Inmates are prohibited from assisting other inmates with non-qualified legal claims.
- 1.5 Right to Retain Counsel – This system does not interfere with an inmate's right to retain counsel, to the extent the inmate can afford counsel and is willing to pay for the services of an attorney.
 - 1.5.1 Inmates may, of course, avail themselves of pro bono services of a court-appointed attorney.
 - 1.5.2 Nothing in this system suggests inmates may retain someone other than a licensed attorney for legal purposes.
- 1.6 Access to Legal Resources – All institutions shall provide access to the required legal resources. Smaller stand-alone units may transport inmates to an institution which has the required legal resources, or shall provide storage areas for legal resources and materials in addition to the required work space.
- 1.7 Approved Department Forms and Other Documentation – Staff and inmates shall only use the Department forms authorized by this Department Order to request services or report information about this legal access system. Any other forms are null and void. If additional forms are required, they shall be developed and approved only in accordance with Department Order #114, Forms Management System.

2.0 LEGAL RESOURCES AND ACCOMMODATIONS

- 2.1 The Legal Resources (identified in Attachment A) are presently available for inmate use. Any additions or deletions to the legal texts and resource material identified in Attachment A shall be subject to the Director's approval.
- 2.2 All legal reference texts and manuals available for use by inmates shall be kept in the Reserve/Reference section of the unit Library, under the control of designated staff, and shall be used only in the unit Library, with the exception noted in 2.3.2 of this section.
 - 2.2.1 Legal Resource Centers shall provide no legal resource material except for such material set forth in this Department Order.
 - 2.2.2 The units are not required to possess and shall not possess older versions of the law. The centers do not provide archive services. Therefore, inmates requesting older versions of the law, for whatever reason, should be encouraged to contact the courts.
- 2.3 Inmates who visit the library may check out legal texts, manuals, and other legal reference material for a specified period of time within a given day, for use only in the library.
 - 2.3.1 Each book shall have a check out card, on which inmates shall write their name and ADC number.
 - 2.3.1.1 Inmates shall leave their identification card with designated staff, to be returned to them when they return the book.

2.3.2 Under special circumstances an inmate who is unable to visit the library may obtain legal texts and resources for use outside the library. Complex Detention Units (CDUs) and Protective Custody units shall maintain a legal resource library as prescribed in section 8.0, 8.3 and 8.3.1 of this Department Order.

2.4 The Legal Access Monitor shall provide designated staff with a supply of current court forms as identified in Attachment B. The inmate shall pay for copies of these court documents in accordance with section 6.0 of this Department Order.

2.4.1 Inmates may draft their own pleadings, motions and other legal documents.

2.4.2 Handwritten forms which are left incomplete shall not be considered qualified for copying.

2.5 The Department shall not supply inmates with forms, documents or any legal materials from other states. It shall be the duty of the inmate to contact the out-of-state court to request any forms, documents or legal materials from that state.

2.6 The Department shall ensure inmates have access to the name and address of the Arizona State Courts and Federal District/Appellate Courts. These addresses shall be made readily available to inmates, and shall be posted on library bulletin boards in each unit. One or more copies shall be kept in the Reserve/Reference section of the unit Library for referral by inmates. These copies are not to be taken from the Reserve/Reference desk; however, if an inmate requires a copy, it may be purchased in accordance with section 7.0 of this Department Order.

2.7 The unit Deputy Warden may set aside a private room for the use of the Paralegal.

2.7.1 If requested by the Paralegal, a telephone with a speaker may be provided for use in tele-conferencing.

2.7.2 In all instances, designated staff, together with security staff, shall ensure inmates who are meeting with Paralegals have space to prepare their legal actions.

2.8 The Department shall not make computers or typewriters available to inmates in the unit Library for the purpose of enabling inmates to do legal work. Only inmates who have a qualifying disability may be provided a personal typewriter pursuant to a court order.

3.0 GENERAL RESPONSIBILITY – This inmate legal access to the courts system relies on five specific groups of individuals, with general responsibility as follows:

The Paralegals – Unit Sign-In Log form shall be maintained for a period of three years.

- 3.2.1.10 Reviewing questionable outgoing legal mail to determine if it is actually legal mail. (Mail not addressed to an attorney, judge or court, but may be required by court order or statute.)
- 3.2.2 Paralegals shall not:
 - 3.2.2.1 Practice law, give legal advice, conduct legal research, represent an inmate or make referrals.

- 3.3.7 Making recommendations to the Director to either purchase additional sets of legal resource materials or eliminate resource materials, as appropriate.
- 3.3.8 Reviewing Paralegal Activity Log forms and billings for accuracy and determining the proper amount to be paid for work completed.
- 3.3.9 Reordering legal texts, as necessary, to replace missing texts and ordering updates as they become available from the publisher.
- 3.3.10 Performing other duties, as assigned.

3.4 ADC Attorneys – The ADC Attorneys shall be responsible for overseeing the tasks of the Legal Access Monitor and providing the Legal Access Monitor with direction.

3.5 Inmates – Inmates may use the resources available through this inmate legal access to the courts system.

3.5.1 The Department shall not establish an inmate legal assistant/inmate law clerk program, nor shall the Department take any affirmative steps in assisting inmates in helping other inmates with qualified legal claims.

3.5.1.1 Inmates who have been found charging or bartering in exchange for services, or who have been found to be creating a security problem or assisting inmates with non-qualified legal claims shall be disciplined and shall be precluded from helping other inmates in the future. No inmate shall be allowed to assist another inmate if the Warden or Deputy Warden determines a potential or existing security problem has developed or may develop, or allowing such assistance may detrimentally impact institutional resources.

3.5.1.2 Inmates shall not possess or store other inmates' legal paperwork in their cell or housing area.

3.5.2 Inmates shall mail legal materials in accordance with section 11.0 of this Department Order.

3.5.3 Inmates shall attempt to resolve issues related to this inmate legal access to the courts system through designated staff before contacting the Legal Access Monitor.

4.0 PARALEGAL ASSISTANCE – Inmates may receive active assistance in the initial filing of pleadings involving qualified legal claims from Paralegals provided by the Department. (See Attachment D, Paralegal Assistance Request Process.)

- 4.1 Inmates desiring legal assistance from a Paralegal shall complete an Inmate Request for Paralegal Assistance, Form 902-1, available only from designated staff. The request shall include a plain, concise description of the qualified legal claim and the type of assistance requested. The Inmate Request for Paralegal Assistance form is not to be used to ask legal questions, only to request to meet with the Paralegal regarding their qualified issues. The Inmate Request for Paralegal Assistance form shall also be available in Spanish. Illiterate inmates shall contact designated staff, who shall help them complete the form. Inmates serving sentences pursuant to Interstate Corrections Compact and concurrent custody agreements shall make the request in accordance with 4.11 of this section.
 - 4.1.1 If the issue involves Section 1983 Civil Rights or Conditions of Confinement, the inmate shall have first attempted to resolve the issue through the inmate grievance process, in accordance with Department Order #802, Inmate Grievance Procedure. The inmate shall attach a copy of the final disposition of the grievance to the initial request for assistance. If the inmate has not attempted to resolve the issue through the inmate grievance process, the Paralegal shall advise the inmate the court will likely dismiss the inmate's suit if the inmate fails to exhaust the administrative remedies available through the inmate grievance system.
 - 4.1.2 If the issue involves Notice of Appeal from the Superior Court, a Rule 32 or habeas petition, the inmate shall include the appropriate legal documents/orders of the court out of the trial court record.
- 4.2 Once the inmate has completed his/her portion of the form, the form shall be given directly to designated staff or placed in a designated drop box or tray at the direction of designated staff.
- 4.3 Designated staff shall accept, sign and date the Inmate Request for Paralegal Assistance form, provide a copy to the inmate, and forward the request along with any attached documents to the Paralegal. Designated staff:
 - 4.3.1 May fax the request and attachments (if any) to the Paralegal, using the designated fax machine. Material to be faxed shall not exceed 20 pages. Staff may also scan the request and send an electronic copy to the Paralegal via e-mail.
 - 4.3.2 Shall charge the inmate the actual cost of faxing as determined by the institution. The charge shall be the actual cost of the telephone connection.
 - 4.3.2.1 The inmate shall prepare and submit an Inmate Request for Withdrawal, Form 905-1, to the designated staff prior to faxing. Inmates without the necessary funds shall be handled as specified in section 6.0, 6.1 of this Department Order.
 - 4.3.3 Shall not intercept or delay Inmate Requests for Assistance.
- 4.4 The Paralegal shall review each request and determine whether the matter described involves a qualified legal claim.
 - 4.4.1 If it is unclear whether the issue involves a qualified legal claim and/or the Paralegal determines a meeting is appropriate, the Paralegal shall request designated staff, in consultation with the Paralegal, schedule a meeting with the requesting inmate to resolve the issue(s).

- 4.4.2 If the request does not involve a qualified legal claim, the Paralegal shall not provide assistance and shall return the request for assistance to the inmate through designated staff. If possible, the Paralegal shall direct the inmate to where assistance for a non-qualified claim exists.
- 4.5 The Paralegal shall keep a copy of the request.
- 4.6 Designated staff shall work with security staff and the Paralegal in scheduling days and hours when the Paralegal is scheduled to meet with inmates, based upon inmate population, the volume of requests, quick access, court deadlines and appropriate attention to security issues.
- 4.7 Designated staff shall schedule an appointment, in consultation with the Paralegal, and notify both the Paralegal and the inmate by completing the appointment section of the Inmate Request for Paralegal Assistance form and forwarding a notification copy to the inmate and to the Paralegal. Designated staff shall keep the file copy of the request and forward a copy to the Legal Access Monitor.
 - 4.7.1 Turn-outs for scheduled Paralegal meetings shall not be suspended except when a legitimate security concern exists to do so.
- 4.8 Paralegals shall meet with inmates to provide necessary assistance with preparation of the initial pleading for filing. However, for Arizona inmates in other states who are serving sentences pursuant to Interstate Corrections Compact or concurrent custody agreements and who, in accordance with 4.11 of this section, request assistance with the preparation of an initial pleading, the Paralegal shall ensure one copy of the appropriate sections of legal references; forms and instructions are mailed to the inmate. The mailings shall be made by Interstate Corrections Compact staff at the Prison Operations expense.
 - 4.8.1 Paralegals shall not provide assistance beyond the initial filing stage. (See section 3.0, 3.2 of this Department Order for details concerning assistance provided by Paralegals.)
 - 4.8.2 The Paralegal may authorize designated staff to copy documents in accordance with section 5.0 of this Department Order by completing the appropriate authorization requests.
 - 4.8.3 The Paralegal may request additional meetings, as necessary. If additional meetings are required, designated staff shall schedule the meeting using a Paralegal Meeting Notification, Form 902-8.
 - 4.8.4 The Paralegal shall be available on an as needed basis, based on number of requests, type of request and possible deadlines. The schedule shall be determined by the Paralegal and designated staff.
- 4.9 Staff shall not retaliate against an inmate for requesting assistance from a Paralegal or for exercising any other legal privilege pursuant to this Department Order nor shall they retaliate against an attorney, agent of an attorney or any other person for exercising any privilege pursuant to this Department Order.

- 4.10 Designated staff and/or Paralegals shall:
- 4.10.1 Direct questions concerning this inmate access to the courts system to the Legal Access Monitor.
 - 4.10.2 Immediately report suspected abuses of this inmate access to the courts system to the Warden or Deputy Warden for review and resolution, ensuring the Legal Access Monitor is also advised.
- 4.11 Arizona inmates in other states who are serving sentences pursuant to Interstate Corrections Compact and concurrent custody agreements may, upon written request addressed to the Offender Services Bureau Administrator, receive Paralegal assistance for a qualified claim. Upon receipt of the inmate's written request, the Administrator shall notify the Legal Access Monitor. The Legal Access Monitor shall forward the inmate's request to a Paralegal, who shall provide assistance, via the mail, for post-conviction relief claims and condition of confinement/civil rights claims which arose in Arizona. Any claim pertaining to conditions of confinement outside of Arizona shall be filed in the state where the inmate is confined. The mailings shall be made by Interstate Corrections Compact staff at the expense of Prison Operations.

5.0 QUALIFIED LEGAL CLAIMS COPYING – (See Attachment E, Qualified Legal Claims Copying Process.)

All requests for copying involving qualified legal claims, except as provided in section 5.0, 5.10, shall be reviewed by the Paralegal prior to copying by using the following process:

- 5.1 To request photocopies, the inmate shall complete the appropriate section of a Request/Authorization for Qualified Legal Claim Copying, Form 902-2, and shall submit the request with the documents to be copied attached (including a copy of the pleading if the documents to be copied are intended as an attachment), in person, to designated staff. Failure to attach sufficient documentation to enable the Paralegal to determine if documents are qualified may result in a delay or return of the request to the inmate. The Paralegal shall deny a request which is vague or does not substantiate a qualified legal claim. It shall then be necessary for the inmate to submit another request with sufficient documentation.
- 5.1.1 In the event the inmate is obtaining active assistance from the Paralegal and has completed the pleading in the presence of the Paralegal, the Paralegal shall complete the Request/Authorization for Qualified Legal Claim Copying form and submit it with the pleading directly to designated staff for photocopying.
- 5.2 Designated staff shall sign and date the form and provide the inmate a copy of the request as a receipt.
- 5.3 Designated staff shall forward the packet to the Paralegal.
- 5.4 The Paralegal shall review the packet to determine which documents shall be copied and how many copies are to be made. Documents which violate prison rules (i.e., gang symbols, instructions regarding illegal activities, etc.) shall not be copied.
- 5.5 If Department Order compliance interpretation is needed then the Paralegal shall consult with the Legal Access Monitor.
- 5.6 The Paralegal shall complete the request and, within three work days of receipt, shall return the packet to designated staff.

- 5.7 Designated staff shall:
- 5.7.1 Make photocopies in accordance with the Paralegal's notation on the request form, ensuring the inmate has paid for the copies or the account has been placed on hold in accordance with section 6.0 of this Department Order. Photocopies shall be made, if possible, within three work days of designated staff receiving the request form back from the Paralegal. Extra time may be necessary for extensive copying requests.
 - 5.7.1.1 All legal documents, such as, but not limited to, pleadings, briefs, motions, affidavits, copies of case law, and licenses submitted for photocopying shall not be censored, but may be read to the extent required to establish the contents of the document do not contain contraband.
 - 5.7.1.2 All legal matters, other than legal documents, namely and especially letters to or from an inmate's attorney, to or from a judge, or to or from a court of law, which are submitted for photocopying, shall not be read or censored, but may be scanned to the extent necessary to establish the letters which do not contain contraband.
 - 5.7.2 Refrain from photocopying any documents, if so instructed by the Paralegal.
 - 5.7.3 Arrange for a meeting between the Paralegal and the inmate, if so instructed by the Paralegal.
- 5.8 Designated staff shall keep a copy of the request and:
- 5.8.1 Forward a copy of the Request/Authorization for Qualified Legal Claim Copying form, together with the photocopied material, to the inmate.
 - 5.8.2 Return the material, above, to the inmate if the request was denied.
 - 5.8.3 Forward the Inmate Request for Withdrawal, Form 905-1, to the Business Office in accordance with section 6.0 of this Department Order, if the material is to be photocopied.
 - 5.8.4 Forward a copy of all requests for qualified legal claim copying to the Legal Access Monitor on a monthly basis.
- 5.9 The Paralegal's decision is final. Inmates may present concerns regarding qualified legal claim copying to the Legal Access Monitor through designated staff using the Inmate Letter, Form 916-1.
- 5.10 The inmate shall be responsible for payment for copies in accordance with section 6.0 of this Department Order, except the inmate may choose to pay for copies relating to qualified legal claims in accordance with section 7.0 of this Department Order. In this event, the documents do not require the Paralegal's review.
- 5.11 If the copies do not relate to a qualified legal claim, the inmate may request copies be made in accordance with section 7.0 of this Department Order as non-qualified legal documents or non-legal documents.

- 5.12 Telephonic review of qualified legal copying requests may be done when designated staff and the Paralegal determine it necessary based upon time frames (e.g., verified impending court deadlines, date of Paralegal's next visit to the unit, etc.)
- 5.13 There is no requirement for the Paralegal to meet in person with the inmate to review a qualified legal copy request.
- 5.14 Requests for copies of Exhibits/Attachments shall have a legitimate pleading to support the copying of those documents. Exhibits/Attachments shall also relate to the pleading. The Paralegal may deny copying of documents if they do not relate to a pleading in an active court case.

6.0 CHARGES - QUALIFIED LEGAL CLAIMS – All inmates shall be responsible for payment for services related to qualified legal claims.

- 6.1 For issues relating to qualified legal claims, the service requested shall be provided in accordance with the Paralegal's notation on the request regardless of the inmate's ability to pay. However, if the inmate has funds available, the cost of the service shall be deducted from the inmate's account. If funds are not available, the inmate's account shall be placed on hold in accordance with Department Order #905, Inmate Trust Account/Money System, until such time as the debt is paid.

- 6.3 An inmate who is requesting any service relating to qualified legal claims shall complete and deliver to designated staff an Inmate Request for Withdrawal form in the amount necessary to completely pay for the requested service at the time designated staff perform the service or arrange for delivery of the service. For photocopies, the Request/Authorization for Qualified Legal Claim Copying form shall be required.
- 6.4 Designated staff shall submit the Inmate Request for Withdrawal form to the Business Office when the service has been provided to the inmate. Designated staff shall indicate on the Inmate Request for Withdrawal the service is for qualified legal claims.
- 6.5 The Business Office shall:
 - 6.5.1 Upon receipt of the Inmate Request for Withdrawal form, ensure if funds are available the inmate's account is debited or the inmate's account is placed on hold.
 - 6.5.2 Ensure the Inmate Request for Withdrawal form serves as documentation for the hold or request for payment.
 - 6.5.3 Ensure funds collected are deposited in the appropriate account in accordance with Department Order #905, Inmate Trust Account/Money System.

- 6.6 The charge for any document is \$.10 per printed side (excluding those provided at no charge as outlined in 6.2.3 of this section), including copies of court forms listed on Attachment B, a photocopy of a document or form, or any other form published by another agency or court (normally available and provided by the Department).
- 6.7 The charge for notary public services shall be \$1.00 per notarized document, pursuant to A.R.S. §41-316. Notaries related to statute or court required purposes shall be treated the same as qualified legal claims. The Paralegal or Legal Access Monitor can assist in determining these types of notaries.
- 6.8 The price charged for individual services, forms or copies shall be subject to periodic review and adjustment by the Director.

7.0 NON-QUALIFIED LEGAL CLAIMS SERVICES – (See Attachment F, Non-Qualified Legal Claims Copying Process.) Inmates shall be charged for all non-qualified legal claim photocopies as well as other services provided for in this section. Non-legal copying shall be done in accordance with Department Order # 919, Inmate Resource Center/Library Services.

- 7.1 Inmates who do not have sufficient funds to pay for the copies/service at the time requested shall be denied the service or copies.
- 7.2 All documents submitted for copying shall be in compliance with Department Order #909, Inmate Property, and are not to violate any other written instructions.
- 7.3 Chargeable items include:
 - 7.3.1 Non-qualified legal claim photocopies.
 - 7.3.2 Qualified legal claims photocopies were not copied, in accordance with the Paralegal's notation on the request.
 - 7.3.3 Names and address lists for federal or state courts. (See Attachment C for federal courts. State courts are available in the Legal Resource Center.)
 - 7.3.4 Notary Services related to non-qualified claims.
- 7.4 An inmate who wishes to purchase non-qualified claim photocopies or other immediately chargeable services shall complete an Inmate Request for Withdrawal form and request the assigned Correctional Officer III verify funds are available.
- 7.5 The Correctional Officer III shall verify the availability of funds and sign and date the Inmate Request for Withdrawal form in accordance with Department Order #905, Inmate Trust Account/Money System.
- 7.6 The inmate shall deliver the Inmate Request for Withdrawal form to designated staff within two work days of verification by the Correctional Officer III, together with the material to be photocopied. An inmate who wishes to copy non-qualified legal material shall complete a Request for Non-Qualified/Non-Legal Copying, Form 902-7, as well as the Inmate Request for Withdrawal form, and deliver the Request for Non-Qualified/Non-Legal Copying form, the Inmate Request for Withdrawal form and the documents to be photocopied to designated staff.

- 7.7 Designated staff shall determine if the copies are authorized in accordance with Department Order #909, Inmate Property, or other written instructions. If there is any question about the suitability of the copies, designated staff may consult with:
- 7.7.1 His/her supervisor, the unit Deputy Warden or the unit Chief of Security.
- 7.7.2 The Legal Access Monitor or the Paralegal if it appears the copying may be legal in nature.
- 7.8 Any attempt by the inmate to have contraband documents copied shall result in denial of the request for copies and shall subject the inmate to disciplinary action.
- 7.9 Designated staff shall arrange for delivery of the service, copies or forms and submit the Inmate Request for Withdrawal form to the institution Business Office where the appropriate deduction from the inmate's account shall be made. Designated staff shall ensure the Inmate Request for Withdrawal form indicates it is for payment of non-qualified services or photocopies.
- 7.10 If at any time an inmate requests and receives copies or other service for which payment is due and the inmate's account has insufficient funds to pay, the account shall be placed on hold in accordance with Department Order #905, Inmate Trust Account/Money System. The hold shall remain in place until such time as the inmate has satisfied the obligation.
